ABOUT VESTA

Vesta exists for a social mission, run along the same ethos as our partners, Social Bite, the social enterprise aiming to end homelessness in Scotland. If you enjoy your visit with us, you can 'Pay It Forward' and donate the cost of a coffee, lunch or dinner. 100% of your donation will be passed to Social Bite's charity to distribute the food and we open exclusively on Monday afternoons to serve a two course lunch to people experiencing homelessness too.
